

To remove "YOU TUBE ELEMENT"  
Click the red "X" on  
"VIDEO ONLY"

Select an Element to add  
Choose "Image"

Move "NEW IMAGE" element up to just under  
"Name" element

To upload your photo Choose "file" on "NEW  
IMAGE" element

You may make your photo  
A clickable link to a website of your choice  
By adding the URL to the "Link to" field.  
*However, it is not necessary.*

Remember to scroll to the bottom of your  
HireWire Professional Presentation  
to "SAVE & CLOSE."

**You will be able to add a video at a later date.**
